PRAYER PAGERS

In our prayer list you'll find Church Family names that are marked with a * or **, this means that they have a prayer pager. When you pray over our Prayer list, please call these pager numbers.

(601) 929-4321* (601) 929-5432**

This call will activate the pagers and the Church Family Members will then be made aware of your prayers. This is a quick and simple way to reach out and encourage our brothers and sisters.

In the past few years, the joy from those who have held the pagers is immeasurable. There is power in prayer.

All you need to do: Dial 601 929-4321

The Operator will ask you to dial a number to display.

You may dial 601 929-4321 again

Operator will say "Thank You for calling".

When you hear the busy signal, you may hang up.
