** Church Family names that are marked with a * or **, this means that they have a prayer pager. When you pray over our Prayer list, please call these pager numbers. (601) 929-4321* (601) 929-5432** This call will activate the pagers and the Church Family Members will then be made aware of your prayers. This is a quick and simple way to reach out and encourage our brothers and sisters.
